- Reliable

WORK EXPERIENCE

2016-2018 **CUBE**, 1 year 9 months, job position: co-manager, interior designer; Nouméa, New Caledonia

As co-manager in CUBE interior architecture, I had to show leadership abilities and manage construction teams as well as our design team or sub-contractor. I was taking part in every design development and meetings. My biggest achievement in this role was the facade design of Paita's Town hall in New Caledonia, for which I worked on from Scratch to delivery.

My non-confidential projects include: Renault showroom (construction survey), Jaguar Land Rover showroom (CAD drawing and design according the CI manual, documentations, bidding, survey), COTSUEL organization...

2015-2016 **CUBE**, 8 months, job position: interior designer; Nouméa, New Caledonia

Cube interior design agency allows me to work on long term commercial project, mainly for the SIA SAS and Jeandot Automobile Group, which are New Caledonia's cars dealers leaders. And on a range of smaller interior design project for which I quickly began to do the construction survey. My non-confidential projects include: Porsche showroom refurbishment, Assystem offices extension, Pacific care office, Paita Town Hall design development.

2015 **CUBE**, 6 weeks internship: Computer-aided design, 3D design, Graphic design; Nouméa, New Caledonia

I've worked on small interior design project, for private properties and the KODJEUE hotel in the Isle of Pines (New Caledonia). I propose a new logo and worked on the CAD documentations in Sketchup.

WORK EXPERIENCE

2015 Au fil des espaces, 2 month internship: computer-aided design, 3D design, Graphic design; Lavour, France

This internship allows me to see the work of interior designer in the south of France, I could work on an 18th century apartment refurbishment and help them on various graphic design project for the development of the agency, including newsletter template, invitation card template for their events and salon.

2010 Artimon Architecture, 2 months, position : draftswoman; Noumea, New Caledonia

Working in the drawing team, I took part in the documentation of a residential building using REVIT software.

2009 Pacific Project architecture agency, 6 weeks internship: computer-aided design, quantity survey; Noumea, New Caledonia

I worked on small project such as a construction permit for a villa and the interior architecture of a dentist cabinet.

2008 Pacific Project architecture agency, 5 weeks internship: computer-aided design, quantity survey; Noumea, New Caledonia

During this internship, I mainly worked on quantity survey.

2006-2010 Ilôt Bijoux Jewellery, (holidays and replacements) Sales consultant; Noumea, New Caledonia

Casual Saleswoman between 2006 and 2010. I worked in three of their shops, where I was selling plated gold and silver jewels and Tahiti and china pearls jewels.

2006-2008 Perspective Agency, 13 weeks internship, computer-aided design, quantity survey; Noumea, New Caledonia

Perspective agency allows me to do the quantity survey of a large scale project of social buildings located in Tuband suburd in New Caledonia, and the construction planning of a youth foyer in Nouville suburd.
